櫻井あや乃 Ayano Sakurai

1998 年生於日本東京，現工作與居住於日本東京

櫻井あや乃 (Ayano Sakurai) 於三年前開始製作家譜後，對家裡供奉的祖先們的認識產生了變化。櫻井認為，這些祖先不再是遙遠的存在，而是構成自己當下存在的要素。家譜僅能追溯到一小部分的祖先，但數千、數萬年來，無數個體的連結才成就了今日的櫻井。在創作的過程中，櫻井思考著這些先人現在身在何方，以及人類將走向何處。

Ayano Sakurai

Born in 1998, Tokyo, Japan.

Lives and works in Tokyo, Japan.

Since creating a family tree three years ago, Sakurai has come to perceive the ancestors in the family portraits as integral parts of their identity. The family tree traces only a small fraction of their ancestry, but countless individuals have connected over thousands and tens of thousands of years to bring Sakurai into existence. While creating, Sakurai reflects on where these ancestors might be now and where humanity is headed.
