林汝庭 Lin Ru-Ting

1997 年生於臺灣桃園，現工作與居住於臺灣臺北

林汝庭的創作以平面繪畫為主，包含紙上作品與〈Link〉系列縫繪手工書，以及〈Roll〉系列油畫作品，使用油彩在畫布上經營薄層的乾濕堆疊。從斷裂式筆觸發展至連續性筆觸，其所帶來的流動感將繪畫時身體移動所感受的動態經驗，透過畫筆的行徑軌跡表現，線條相互交疊使得團塊自主產生造型，而非直接勾勒出輪廓線，畫作中的置中團塊與非銳利邊緣反映自身的存在。創作關注在作品發展過程的變動狀態，創作時長帶來的慢步調，時間感有別於身處此時代的快速變動，將某時間段身心所感受的刺激投入畫面中，試圖在畫作裡找尋兩者間的平衡，產生「建立、破壞、再建立」的循環。

Lin Ru-Ting

Born in 1997, Taoyuan, Taiwan.

Lives and works in Taipei, Taiwan.

Lin's creations are mainly paintings. Including works on paper, the "Link" series of hand-painted sewing books, and the "Roll" series of oil paintings. Use oil paint to work thin layers of wet and dry stacks onto the canvas. The development from broken brush strokes to continuous brush strokes brings a sense of flow. The dynamic experience of body movement during painting is expressed through the trajectory of the brush. The lines overlap each other, allowing the mass to shape itself, rather than just outline the outline. The centered masses and non-sharp edges in the painting reflect their own presence.

Lin's creation focuses on the changing state of the development process of the work. The slow pace brought about by the creative time. The sense of time is different from the rapid changes in this era. Put the stimulation you feel physically and mentally during a certain period of time into the picture. Try to find a balance between the two in the painting. A cycle of "build, destroy, build again" is created.
