**黃昱佳 YU-CHIA HUANG (bLUE)**

1991 年生於臺灣臺北

黃昱佳於 2014 年自臺灣師範大學美術系畢業，主修水墨。畢業後持續探索創作，曾赴紐約進修及於芬蘭駐村，多年來創作呈現多種面貌，有水墨、壓克力、版畫、漫畫等作品。近年繪畫使用壓克力顏料及自製的成型畫布，並以「藍獸的世界」做為創作主軸。

「藍獸」是黃昱佳創造的一個擁有藍色巨大的身軀和單純的表情的角色，世界之於他是新鮮的，任何事情都是一次新的體驗，不帶任何成見是這個角色被賦予的使命。黃昱佳運用「藍獸」的諧音「難受」，幽默暗示人人正處於難受的世界。對於黃昱佳而言，用藍獸的視角去重新感受這個世界，是一種面對生活難關的解方，能陪伴大家正視難受、重拾樂趣。

## YU-CHIA HUANG (bLUE)

Born in 1991, Taipei, Taiwan

Yu-Chia Huang was graduated from the Fine Arts Department of National Taiwan Normal University in 2014, majoring in traditional Chinese painting. After graduation, she continued to explore creation. Huang Yu chia went to New York for further study and participated in an art residency in Finland. Over the years, her creations have taken on various forms, including traditional Chinese painting, acrylic, printmaking and comics. In recent years, she has used acrylic paints and self-made shaped canvases in her paintings, with "The World of bLUE" as the main theme of his creation.

"bLUE" is a character created by Huang Yu chia, it has a huge blue body and a simple expression. The whole world is new to "bLUE", and everything is a new experience for it too. It is the mission given to this character to not have any prejudices. The homophone of "bLUE" in Chinese means "uncomfortable". In this way, Huang Yu chia humorously implies that everyone is in an uncomfortable world. For Huang Yu chia, re-experience the world from the perspective of the bLUE is a solution to face the difficulties in life, which can accompany everyone to face the pain and regain fun.
